KISS & MAKEUP

## LESSONS

All lessons include face shaping, colour coding, brow shaping, a personalised makeup chart with recommended products and a "how to" makeup manual.

2021

Your lesson will start with a consultation discussing your lifestyle, personal style and beauty concerns you might have. We will then design looks that will ensure your features are beautifully and easily enhanced, We will perform a makeover on one side of your face and guide you as you proceed to achieve the same look on the other side of the face. Bring you own make-up bag for us to see and advise.

### **BACK TO BASICS / 2hrs / R1200**

This lesson is the ideal option for those who feel like they would like to wear make-up, but don't know how. We start right at the beginning and create a classic make-up look for you and teach you how to achieve the desired look.

### **CLASSIC DAY LOOK / 2hrs / R1200**

If you are feeling stuck and want to refresh your look, then this is the perfect option for you. Together we will design the perfect everyday make-up look that suits your facial features, colouring and your lifestyle.

### **DAY TO EVENING / 3hrs / R2000**

We will go through 2 separate looks from a natural day look to a glamorous evening look.

### **TEENS MAKEUP LESSON / 1.5hrs / R800**

The lesson teaches Basic product information and how to shape eyebrows the right way without over tweezing. As we teach about make-up, we concentrate on the importance of fresh beautiful skin and how to look after it, with the theory that less is always more.

### **GROUP LESSON / 3hrs / R500 Minimum of 4 ladies each**

Learn how to create a classic make-up look in a fun atmosphere surrounded by friends. A minimum number of 4 ladies is required, preferable of a similar age group
